

I. Supply Procedure for Installations Outside the Limits of the United States.

A. Authority: Authority to purchase supplies, equipment or services and dispose of surplus property, within provisions contained below, is delegated to Chiefs of Overt Installations outside the continental limits of the United States.

B. Programming: Chiefs of Installations will, for each quarter of the fiscal year prepare, in quadruplicate, a table of requirements which will be submitted through appropriate administrative channels to Chief, Services Division, AS, for approval on or before the first day of the preceding quarterly period as follows:

1. A list of supplies, equipment or services and, by item, estimated costs thereof, which are obtainable through [redacted] Installations or other local sources of supply. An approved copy will be returned to the Chief of Installation for necessary procurement action.

2. Items which are not obtainable locally will be listed on Form No. 36-7, "Request for Supplies, Equipment or Services". Shipment of material under this category will, after approval, be effected from Washington.

C. Procurement:

2. **Open Market:** Procurement from local sources in the open market of supplies, equipment and/or services (except continuous or recurring services) which are not available from [redacted] is authorized, provided the cost of same is within the open market limitation of \$1000.00 and were listed on the approved table of requirements. An order showing data in detail as required by agency Form No. 36-1 (but omitting reference to CIA or billing on the Washington level) will be issued to reflect these transactions. Payment of invoices for purchases made under this authority will be effected locally in accordance with procedures established by

the Fiscal Division.

3. Petty Cash: Petty cash purchases are authorized provided the total cost of each transaction does not exceed \$20.00 and the total monthly expenditure does not exceed \$75.00. Petty cash expenditures will be made from personal funds, reimbursement thereof to be secured through the processing of Form No. SF-1129.

4. Emergency Purchases: Procurement of supplies, equipment or services not included in the approved table of requirements may be effected in the event of emergency in accordance with procedure prescribed in paragraph I-6-1 or 2 above provided the cost thereof does not exceed \$100.00 per month and further, that reasonable explanation is noted on each purchase request.

D. Numbering Purchase Requests: Appropriation Symbol and Title:

1. Purchase requests issued to [redacted] 25X1A1D
Installations, or other local sources of supply, will be numbered in sequence using a new series of numbers commencing at the beginning of each fiscal year; example:

25X1A6A

[redacted]

25X1A1D

[redacted]

E. Procedure for Disposal of Surplus and/or Excess Property:

1. Requests for disposal of excess and/or surplus property will, except for provisions contained in paragraph E-2 below, be directed to the Administrative office, Washington for concurrence and forwarded to Chief, Services Division, Attn: [redacted] for final approval.

25X1

2. Chiefs of field stations are granted authority to dispose of surplus and/or excess property, provided the
